## News Release

### York Ag Sponsors 2022 Agri-Basics Dairy Seminar

**York Ag promotes dairy meetings organized by Agri-Basics, an independent dairy consulting nutritionist firm.**

(York, Pa., November 20, 2022) York Ag, a dynamic supplier of holistic ingredient solutions that optimize animal well-being, will promote its ingredients portfolio for dairy applications at the Agri-Basics Dairy Seminar in New Holland, PA (December 8, 2022). Agri-Basics is an independent dairy consulting nutritionist firm based in Elizabethtown, PA. This event will bring dairy specialists to share dairy management tips with dairy farmers from different counties.

The Agri-Basics Dairy Seminar will include speakers Tim Beck, from Penn State Extension, who will cover the topic "Impact of Cropping on Profitability and 2022 Dairy Economics", and Jonathan Rotz, from Pioneer, who will discuss "Plenish Soybeans and Corn Silage Agronomics."

York Ag is a consistent sponsor of Agri-Basics' educational events. "Agri-Basics offers a great opportunity for farmers and agri-business professionals to come together and learn from industry experts," said Bill Achor, President and CEO of York Ag.

York Ag believes Everyone Deserves a Nutritious Meal®. Its dairy ingredients portfolio include:

- BOVAZYME® and BOVAZYME® Organic – feed enzyme additives that aid in digestion and mitigate bloating events in dairy cows, yeast-based additives.
- Hilyses®, IMW50®, and RYeast40® – yeast-based additives that support animal well-being with abundant vitamins, minerals, nucleotides, beta-glucans, and mannan oligosaccharides (MOS).
- KENDER® Dairy 201 and 202, KENDER® Organic 301 and 302, and KENDER® Fly Shield – natural ingredients for dairy applications.
