**Everyone  
Deserves a  
Nutritious  
Meal®**

(York, Pa., March 4, 2023) York Ag, a dynamic supplier of holistic ingredient solutions that optimize animal well-being, will share why Everyone Deserves a Nutritious Meal® at the Annual Hog Farmer Trade Show (March 15, 2023). Niman Ranch works with one of the largest networks of small, independent, U.S. family farmers, has strict animal welfare protocols, practices sustainable and humane agricultural practices and offers finest tasting meats. Whether they're raising hogs, cattle or lamb, they all share a commitment to raising livestock under strict protocols and the belief that humane and sustainable methods produce the best possible flavor.

York Ag offers ingredients solutions for multiple swine applications that include gut health management, stress mitigation, respiratory health, parasite and insect control, viral mitigation, and bedding quality. "We are glad to sponsor the Niman Ranch Annual Hog Farmer Tradeshow. It is a great opportunity to connect with farmers in the swine industry," said Bill Achor, President and CEO of York Ag.

#### York Ag Ingredients for Swine Applications

- ALTERNA® SWINE is a feed additive for microflora regulation.
- AQUAGUT SWINE is a botanical based liquid product to support digestive function and metabolism.
- CAPS C2PG is a feed additive that helps feed digestibility.
- SYNBIOTEC® SWINE is a feed additive designed to support gut health during a coccidiosis challenge. Available for conventional, organic production, and cocci-vaccine programs.
- PHYTOZEN® is a precision blend of natural essential oils and botanical extracts that support animal well-being and help mitigate the perception of stress.
- FEED FRESH is a botanical based product that supports respiratory organs.
- AQUA FRESH is a botanical based product that supports respiratory organs.
- PARASHIELD is a botanical based liquid product for drinking water of swine.
- TENEMAX is a drying agent used to help manage insects in the bedding.
- BIOTANIX® WS is a bedding amendment.
- VIRABLOC is a product that contributes to gut health and helps mitigate the effects of viral exposure from a feed source.
- HILYSES® is a hydrolyzed yeast with abundant minerals, free nucleotides, mannan oligosaccharides (MOS), and beta-glucans to support gut health and overall well-being.
- IMW50® is a yeast-based additive that offers trace minerals, vitamins, beta-glucans and mannan-oligosaccharides (MOS).
- STALOSAN F is a dry germicide that offers long-acting protection by kills harmful pathogens.

The 2023 edition of the Niman Ranch Annual Hog Farmer Trade Show will take place at the Gateway Hotel and Conference Center in Ames, IA, on Wednesday, March 15, from 7 a.m. to 2:30 p.m.
