

YORK HORSE STALL ODOR ERASER

EXPERIENCE ODOR-FREE HORSE STALLS, PADDOCKS, AND STABLES AND CREATE A CLEAN AND FRESH ENVIRONMENT.

York Ag offers a PA Preferred® natural material that helps control odors triggered by waste and organic matter.

YORK Horse Stall Odor Eraser is an aid in reducing moisture and controlling ammonia, often generated when horses are housed inside stalls, paddocks, and stables. Our stable conditioning material helps extend the life of your bedding while improving air quality for horses and caretakers. It works great with sawdust, shavings, straw, and pelleted bedding management systems.

BENEFITS

- **Natural Ingredients:** YORK Horse Stall Odor Eraser is made with all-natural ingredients, ensuring a safe and healthy environment for your horses.
- **Highly Effective:** The combination of fine clay and calcium sulphate creates a powerful formula that effectively eliminates unpleasant odors.
- **Long-Lasting:** YORK Horse Stall Odor Eraser provides long-lasting results, keeping your horse stalls smelling fresh and clean for an extended period of time.
- **Easy to Use:** Sprinkle YORK Horse Stall Odor Eraser evenly over the stall floor and leave it until it absorbs moisture and odors.
- **Cost-Effective:** It is a cost-effective solution in comparison with other cleaning and deodorizing products.

YORK HORSE STALL ODOR ERASER
