

INNOVATIVE DEPENDABLE EFFECTIVE

ALL PURPOSE WORRY ERASER ABSORBS SPILLED FLUIDS, OIL, GREASE, AND ANY LIQUIDS ON SMOOTH AND ROUGH SURFACES.

York Ag's All Purpose Worry Eraser is a 100% recovered product, with no harmful chlorides, used to absorb spilled fluids, oil, grease, and any types of liquids. There are multiple applications for All Purpose Worry Eraser. From car shops, garages, and gas stations to manufacturing plants, chemical & industrial facilities, and other emergency spill response events, All-Purpose Worry Eraser offers excellent absorption performance to control spillage. The consistent particle size works effectively on smooth and rough surfaces and offers outstanding slip resistance.

All Purpose Worry Eraser is also the first product in its class to garner the coveted PA Preferred™ status with the Pennsylvania Department of Agriculture. It is produced, recovered, and packaged in Pennsylvania, and available nationwide. All Purpose Worry Eraser is available in 40 lb. (18.14 kg) bags and it is a premium floor dry for Spill Prevention, Control, and Countermeasure (SPCC) plans.
