

INNOVATIVE DEPENDABLE EFFECTIVE

PROBIOTECH
INTERNATIONAL

Natural additives for
animal nutrition.

INNOVATIVE DEPENDABLE EFFECTIVE

INNOVATION, COUPLED WITH PERFORMANCE, MAKE PROBIOTECH'S PORTFOLIO IDEAL FOR POULTRY APPLICATIONS.

York Ag is an authorized U.S. distributor of innovative poultry solutions from Probiotech International.

Probiotech International is a well-established Canadian company with more than 25 years of experience developing solutions for the animal nutrition industry.

Probiotech believes that animal physiology at the molecular level is the basis for the development and market of feed additives solutions. Their team works in collaboration with leading research institutes and universities around the globe in order to create products that improve animal performance and well-being while increasing profit for the farmers.

Probiotech's track record includes developing innovative solutions in partnership with feed manufacturers, premix companies, and integrators across Canada and the United States.

With a wholesome portfolio of botanical extracts and essential oils to support animal well-being, Probiotech Poultry Solutions complement animal nutrition requirements for layers, pullets, broilers, ABF broilers, NAE broilers, and turkeys.

Let our York Ag team help you identify the most suitable Probiotech solution for your poultry operation.

Visit www.yorkag.com/probiotech for further information.

Using scientific innovation, Probiotech contributes to the changing world of animal nutrition in North America.

PROBIOTECH POULTRY SOLUTIONS

GUT HEALTH

DESCRIPTION

ALTERN^A POULTRY

Formulation of botanicals, medium chain fatty acids, and organic acids that support gastrointestinal health and growth rate. Alterna Poultry OP available for use in organic production.

ALTERN^A HTS

Botanical based feed additive designed to regulate the gut Histomonas population. Alterna HTS OP available for use in organic production.

AQUAGUT^{POULTRY}

Botanical based liquid product that addresses a broad range of gut-health issues including bacteria and parasites. AquaGut Poultry OP available for use in organic production.

DIGESTAWELL^{XG}

Dual-enzyme blend designed specifically to enhance energy utilization and feed digestibility.

SYNBIOTEC^{POULTRY}

Blend of botanicals, saponins, and polyphenols formulated to promote intestinal and microbial health during a coccidiosis challenge in operations without a coccidiostat program. Synbiotec Poultry OP available for use in organic production.

SYNBIOTEC^{CVA}

Blend of botanicals, saponins, and polyphenols formulated to promote intestinal and microbial health during a coccidiosis challenge for use in conjunction with a coccidiostat program.

STRESS MITIGATION

PHYTOZEN²⁵⁰

Botanical-based feed additive that mitigates stress in birds by reducing cortisol levels which decreases the fight or flight response. Also available in liquid form. Phytozen OP available for use in organic production.

RESPIRATORY HEALTH

FEEDFRESH^{OP}

Botanical-based feed additive that supports the health of respiratory organs in poultry. Suitable for use in organic production.

AQUAFRESH

Liquid, botanical-based product that supports the health and function of respiratory organs, acting as a decongestant, vasodilator, anti-inflammatory, and antiviral.

PRODUCTION ENVIRONMENT

AVIA^S PECK

Strong, aromatic botanical repellent with a toxic effect on ectoparasites. AviaSpeck OP available for use in organic production.

PARA^S HIELD LIQUID^{OP}

Liquid, botanical-based liquid product that disrupts the life cycle of harmful intestinal parasitic worms. Suitable for use in organic production.

TENEMAX^X

Drying agent used to help lower the darkling beetle population in poultry litter. Tenemax OP available for use in organic production.

BIOTANIX^{WS}

Litter amendment that utilizes competitive exclusion to improve the microbiome of poultry litter.

YORK AG & PROBIOTECH

Your partners of choice in animal nutrition.

WHO WE ARE

York Ag is a dynamic supplier of holistic ingredient solutions focused on supporting animal well-being.

WHY WE EXIST

York Ag lives to bring innovative, dependable, and effective feed ingredient solutions to feed manufacturers, livestock consultants, and animal producers.

HOW WE OPERATE

York Ag uses determination, curiosity, and a collaborative approach to recommend and supply functional products that deliver both performance and profitability in an increasingly transparent marketplace.

OUR HOPE

York Ag seeks to enrich the lives of animals, producers, and consumers.
