

INNOVATIVE    DEPENDABLE    EFFECTIVE

ALL PURPOSE WORRY ERASER  
ABSORBS SPILLED FLUIDS, OIL,  
GREASE, AND ANY LIQUIDS ON  
SMOOTH AND ROUGH SURFACES.

York Ag's **All Purpose Worry Eraser** is a 100% recovered product, with no harmful chlorides, used to absorb spilled fluids, oil, grease, and any types of liquids. There are multiple applications for **All Purpose Worry Eraser**. From car shops, garages, and gas stations to manufacturing plants, chemical & industrial facilities, and other emergency spill response events, **All-Purpose Worry Eraser** offers excellent absorption performance to control spillage. The consistent particle size works effectively on smooth and rough surfaces and offers outstanding slip resistance.

**All Purpose Worry Eraser** is also the first product in its class to garner the coveted PA Preferred™ status with the Pennsylvania Department of Agriculture. It is produced, recovered, and packaged in Pennsylvania, and available nationwide. **All Purpose Worry Eraser** is available in 40 lb. (18.14 kg) bags and it is a premium floor dry for Spill Prevention, Control, and Countermeasure (SPCC) plans.
